

Greenroads 500mg Heat Roll-on – 3 oz – No THC

Green Roads CBD Muscle & Joint Heat Roll-on Balm has been specially formulated to deliver calming compounds and botanicals to your tired limbs. Their new roll-on CBD therapy combines powerful soothing ingredients with the supportive properties of CBD to provide fast-acting relief. With an easy-to-use roll-on application method, this CBD heat balm is guaranteed to leave no mess behind and keep your hands clean.

The CBD in our roll-on pain cream is obtained from the finest hemp grown in the United States. Green Roads CBD heat balms are formulated by a licensed compound pharmacist. These balms are third-party lab tested.

Directions: Apply roll-on to desired area. Repeat as needed. Massage until completely absorbed.

Product Facts: Advanced Heating Technology, Paraben-Free, Not Tested on Animals, For External Use Only

Recommended Use: Recommended for adults 18 and older. For external use only.

Ingredients: Purified water, methyl salicylate, menthol, hemp-derived CBD, arnica montana flower, aloe barbadensis leaf extract, isopropyl alcohol, glycerin, isopropyl palmitate, propylene glycol, glycerin stearate, cetearyl alcohol, stearic acid, sodium cocoyl glutamate, phenoxyethanol, ethylhexylglycerin, vitamin E, carbomer, Triethanolamine, Capsicum, sodium polyacrylate, ethylhexyl stearate, tidecetA-6.

All Green Roads products are handcrafted with only the highest quality hemp-derived CBD. Green Roads utilizes CO2 supercritical fluid extraction to ensure that no unwanted cannabinoids end up in CBD product concentrate. The raw CBD isolate used in Green Roads products is winterized prior to infusion into the final products to ensure that only CBD (and no unwanted plant compounds) is present when the bottle is sealed.

Recommended Use: Place 0.5 ML – 1 ML under tongue for at least 30 seconds before swallowing

Dose/Serving: 37 mg / ML
